New Potsdamers

Dear Ladies and Gentlemen,

The members of the Society of the Cultural City of Potsdam bid you warm welcome.

Over the coming days and weeks following your move you will no doubt have a busy calendar. When you manage to find a quiet moment, we invite you to get to know your new city in a casual meeting. We have regular get-togethers in which we can chat, get to know each other, and socialise. You will have the opportunity to answer any questions you may have, and indeed, to all the important things that in a strange city may need working out.

Every first Wednesday of the month at 18.30h find our meeting in 'Alter Stadtwächter' restaurant, 33, Schopenhauerstr.

With a welcoming round of Pils provided by the barkeeper, we personally invite you to a hearty welcome to Potsdam. Our members are united in a love of Potsdam, a town with a cultural landscape with over a hundred years' development, counting among the most beautiful created. Potsdam justifiably holds World Cultural Heritage status. Thus is the efforts of the society directed, to make this uniqueness tangible for Potsdamers and visitors. We enjoy ourselves knowingly the multifarious cultural attractions and with our actions wish to advance the commitment of the people. You can discover more about our project at www.kulturstadt.potsdam.de.

Please take note of our next welcome day. We look forward to meeting you.

With Friendly Greetings!
Chairman of the Society
